

AI Agents in Pharma & Biotech

High-Trust Leaders' Exchange
October 7, 2025

18:15 – 21:00

Basel, Viaduktstrasse 40

About the Event

On October 7, ekona.ai is inviting 80 senior leaders across pharma, life sciences, and biotech to a private evening exchange on AI agents.

In this closed-door event, we'll explore how AI Agents are deployed in real-world settings – from research, development, medical affairs to marketing, legal and more. Expect thought-provoking keynotes, interactive Q&A, and informal networking with peers.

Why Attend?

-  **Gain clarity** on how and when to deploy AI Agents in regulated pharma environments
-  **Exchange with peers** who face the same strategic and implementation challenges
-  **Build trusted connections** in an intimate, invite-only setting
